STEWARDSHIP THE EUCHARIST UNITES US

The *Catechism of the Catholic Church* teaches that we are the Body of Christ — “Those who receive the Eucharist are united more closely to Christ. Through it Christ unites them to all the faithful in one body - the Church. Communion renews, strengthens, and deepens this incorporation into the Church, already achieved by Baptism. In Baptism we have been called to form but one body. The Eucharist fulfills this call” (CCC, 1396).

By our Baptism, we have become the People of God. And it is through the reception of the Eucharist that we are unified as a Church to Christ — renewing, strengthening and deepening our union. As we witness the miracle of the Mass, the bread and wine becoming the Body and Blood of Christ, we are given hope. For it is in Christ’s sacrifice that we, as the People of God, unite our praise, sufferings, prayer and work to Him (CCC, 1368). When we give God everything, our lives take on a new meaning. All that we do is one step closer to eternal life with the One Who loves us. Together, as a Church, we strive for holiness and sanctity.

At St. Elizabeth Ann Seton, we have embraced stewardship as a way of life for our parish family. Because the Eucharist is at the center of our faith, it is also at the center of our stewardship way of life. As we enter into this time of Renewal, let us ponder the reality that we are one in the Body of Christ. Together, as the People of God, we are called to love and serve our Lord in every moment. Let us pray with new intensity as we receive the Eucharist as our love and our life, offering our gratitude to the Giver of this priceless Gift with our entire selves through concrete commitments of Time, Talent and Treasure.

TIME

“For my flesh is true food, and my blood is true drink. Whoever eats my flesh and drinks my blood remains in me and I in him. Just as the living Father sent me and I have life because of the Father, so also the one who feeds on me will have life because of me.” — John 6:55-57

Just as our bodies need healthy physical nourishment to survive and thrive, so, too do our spiritual lives require nourishment. We are called to use the gift of time above all to nourish our souls. So, we must take an honest look at ourselves. Do we put our spiritual life first, or do we focus more on the cares of the world or on escape from those cares? Do we use our time to obtain the lasting “food” of good spiritual nourishment that Christ and the Church offer to us? When we commit time each day to seeking spiritual food, our loving and generous Father will transform our lives. How will you commit to use your time in the year ahead so that God can truly feed you?

Consider these ideas to help you get started:

- Consider attending one extra Mass each week, making a mid-week visit to Jesus in the tabernacle or attending Eucharistic Adoration.
- Prepare yourself for Sunday Mass by reflecting ahead of time as a family on the lectionary readings that will be proclaimed. Even five or 10 minutes will change you!
- Commit to saying grace before meals and have every family member mention one way they were “fed” by God that day.
- Every night before bed, pray slowly and lovingly the prayer that Jesus Himself taught us, the “Our Father.”

TALENT

“In the building up of Christ’s Body there is engaged a diversity of members and functions. There is only one Spirit who, according to his own richness and the needs of the ministries, gives his different gifts for the welfare of the Church” (CCC, 791).

We are one in Christ, yet uniquely distinct. As St. Paul tells us in his letter to the Corinthians, “There are different kinds of spiritual gifts but the same Spirit; there are different forms of service but the same Lord” (1 Cor. 12:4-5). As one body in Christ, we are unified in our mission to build up the Kingdom of Heaven. And within our unity, we are given countless gifts and talents. Have you considered the gifts God has blessed you with? Are you using them to give Him glory?

Pray about the following possibilities:

- Get involved in a service ministry at our parish that stretches you to be more selfless.
- Pray for our ministries, our parish leaders and all parishioners, asking the Holy Spirit to guide our parish community.
- Commit to a daily extra act of service toward a family member as a concrete way to serve the Lord.
- If you remain homebound, we value and need your talents! Consider ways you can serve right from home — helping with phone calls or emails for a ministry or offering skills like sewing or baking for parish events. There are countless ways to serve God’s kingdom.

TREASURE

“From the very beginning Christians have brought, along with the bread and wine for the Eucharist, gifts to share with those in need. This custom of the collection, ever appropriate, is inspired by the example of Christ who became poor to make us rich” (CCC, 1351).

For the true steward, money has a spiritual component. When used according to God’s will, our income becomes a sort of prayer — which demonstrates our love and gratitude to God, and our real trust in His plan for our lives. Our spending habits are also a reflection of who and what we truly love. God asks us to love Him above all else. Do we?

Try challenging yourself in the following ways this year:

- Take a look at your current spending habits, and assess what expenses are preventing you from offering your treasure more selflessly.
- Ask yourself if your family budget reflects what you most love in this life so that your spending is a reflection of that love.
- Commit to giving a percentage of your income to God through the parish offertory as an expression of your love for God, Who withholds nothing of Himself from us.

BAPTISMAL PREPARATION

The Sacrament of Baptism is the foundation of the Sacramental life of the Church. In this sacrament, we are cleansed from sin, reborn of water and the Holy Spirit, and incorporated into the Body of Christ. (See the *Catechism of the Catholic Church* #1213-1284.) We live out the promises we make at our Baptism by regularly practicing our faith. Therefore, it is important that you and the baptismal sponsor(s) pray and reflect on raising your child in the Catholic faith. At St. Elizabeth Ann Seton (SEAS), Baptisms occur every first and third Sunday of the month after the noon Mass. Classes are offered every second Monday of the month at 7 p.m. in the Rectory meeting room.

CONFIRMATION FORMATION

Through the Sacrament of Confirmation, we experience God's power through the Holy Spirit in a unique way, as the apostles did on the first Pentecost. Our initiation into the Church, which was begun at Baptism, is carried forward with the anointing by the bishop at Confirmation. Not only are we more deeply rooted in our relationship with God, but we become more fully aware of the call to be true disciples of Christ. Our bond with the Church is thus strengthened, and we are able to accept our responsibility to carry out the mission of the Church in our lives. Children preparing for the Sacrament of Confirmation need to attend a two-year catechetical program that includes three Sunday sacramental preparation classes and an annual confirmation retreat.
